Staff Spotlight

Will Gonzaba, DPT

Will received his doctorate in physical therapy from the University of Texas Health Science Center in San Antonio. He began his career working at the Non-Surgical Center of Texas, where his focus was on conservative management of athletic injuries. He also worked in his family's company, Gonzaba Medical Group, where he helped to revamp the physical therapy department. His special interests are orthopedics, sports rehab, and private practice business strategy. Outside of work he competes in cycling criteriums, road races, and cyclocross races. He also enjoys spending time with his wife, Michelle, and their dog, Bonnie.

I am able to golf again!

Success Story - James

James came to Magnolia after a left rotator cuff injury. This injury impaired his complete range of motion.

“Therapist Will and PTA Mary Katherine Casteix ‘the taskmaster’ have given me a wonderful and liberating experience. In addition to providing freedom from pain, I learned all kinds of extra benefits such as better posture and strengthening exercises for my core muscles. I am now able to golf again!”
